Security Reminder

Security Reminder

Assessment security involves procedures for shipping, receiving, storing, disseminating and controlling assessment materials, in both hard copy and online formats. Before finalizing your order, please acknowledge the following security requirements:

- Assessment instruments shall not be reproduced, in whole or in part, in any fashion.
- Teachers for the content area in which the assessment is administered are prohibited from proctoring their own students or students in a similar educational or Career Technical Education program during the multiple-choice (written) assessments, in both online and paper/pencil formats.
- Teachers are prohibited from serving as evaluators for performance assessments. Third party, non-instructional individuals must be selected when identifying evaluators.
- Assessments, assessment items (questions), performance jobs, related scoring criteria, or any other special projects may not be shared with secondary or post-secondary teachers at any time, under any circumstances. Additionally, teacher access to the Client Services Center is prohibited using the site coordinator's log-in credentials
- Testing sites must protect the integrity of QuadNet™, NOCTI's online testing and management system. Access to password-protected sites is restricted to individuals qualified to take part in the local testing program (e.g., students taking an assessment, site coordinators accessing the Client Services Center)

The bullets above are excerpts from the NOCTI Security Policy. The complete NOCTI Security Policy may be accessed by clicking on this link: http://www.nocti.org/PDFs/Forms/Testing_Agreement.pdf.

Clicking on the **ACCEPT** button verifies you are an authorized user of this system and have agreed to abide by and enforce all the terms and conditions of the NOCTI Security Policy.
